OUR MISSION

Ma'ayanot is an all-girls Modern Orthodox Yeshiva High School dedicated to providing a Torah-based education that promotes middot, derekh eretz, and academic excellence across all disciplines. By providing a supportive and nurturing environment that uniquely allows young women to flourish religiously, socially, and intellectually, Ma'ayanot prepares graduates who:

- Lead lives shaped by halakhic commitment, avodat Hashem, and limud haTorah
- Seek and succeed at the highest levels of Torah scholarship and academic achievement
- Engage with new ideas, embrace new challenges, work collaboratively, and respect differences
- Take initiative, express creativity, and assume leadership roles
- Fully engage with their communities, Am Yisrael, and the world at large
- Possess a deep love of Medinat Yisrael and advocate on her behalf

PRINCIPAL'S MESSAGE

Ma'ayanot is built on a vision of cultivating students' skills and confidence so that they are equipped to engage with the world from a perspective of both openness and faith. Students experience classes in which they develop the textual, technical, and analytical skills to be independent learners, and in which they are encouraged to engage in honest, respectful dialogue and self-expression. Our wonderful guidance staff nurtures students' self-awareness, sensitivity to others, and social-emotional growth. Co-curricular activities foster student leadership and talents, and Torah programming helps students seek authentic paths to spiritual growth. In a myriad of great and small ways, students learn to engage with ideas, experiences, and people in a reflective,

thoughtful way that is respectful of their individuality, and to give back to the Jewish community and the world community with a spirit of generosity and inclusiveness.

We are proud to present this Annual Report, which demonstrates that the state of the school is strong and that our students are thriving. We also take this opportunity to thank our donors, whose generosity has allowed us to dream big in our never-ending quest to find ways to excite and inspire our students. We hope you will continue to generously partner with us in the year to come as we continue to strive to provide a uniquely supportive and nurturing environment that allows all of our young women to flourish -- personally, religiously, socially and intellectually -- to their fullest potential.

PRESIDENT'S MESSAGE

We are pleased to present our Annual Report for the year ended June 30, 2018. First and foremost, this report provides a financial accounting for our stakeholders, including accountings of revenues, expenditures and scholarship data. The report also highlights healthy school population and demographic data, and a summary of our students' formidable academic achievements. We are confident that after reading this report you will conclude that Ma'ayanot provides a high quality education in a fiscally prudent manner.

Of course, none of this would be possible without the village of people who work tirelessly to ensure that Ma'ayanot continues to thrive and grow. We take this opportunity to thank our Board, and especially our Finance and Scholarship Committees, for the time and effort they invest to ensure that Ma'ayanot remains on sound financial footing. We also take this opportunity to thank Mrs. Kahan and the entire administration for their educational vision and leadership, and our outstanding and talented faculty who work tirelessly to create an atmosphere in which our daughters grow, religiously and intellectually, to their fullest potential. Last, but certainly not least, we thank our donors who have made Ma'ayanot a philanthropic priority over the years. We hope this report confirms that Ma'ayanot is an institution worthy of your support and that you will continue to collaborate with us in our efforts to provide unparalleled educational opportunities for the daughters of our community for many years to come.

Sincerely,

A handwritten signature in blue ink that reads "Daniel Altman".
