

Dear Sophomores 10.5 English Track,

We hope you are enjoying your summer. We have made an adjustment to the summer reading for your class. Instead of reading *When the Emperor was Divine* by Julie Otsuka, please pick one novel from the list below to read for your English class. Please remember to pick a book from the list sent at the beginning of the summer **in addition** to the book you are choosing from the list below.

Happy reading,

Your Sophomore English Teachers
